

ADMS-1-50-180-F

Single Display Floor Stand

Atdec display stand solutions are available to order in a variety of different configurations suitable for in-store, in-window, freestanding and mobile applications. The lightweight yet incredibly strong aluminium structure utilises a number of modular parts that can be custom configured to your specific project needs.

The ADMS-1-50-180-F is an off-the-shelf kit designed to mount screens from 37" to 65" in either a landscape or portrait orientation.

- › Universal design for mounting displays in landscape or portrait orientation
- › Simple "hook-on" display installation
- › Supports displays up to 70kg (154lbs) with VESA up to 400mm (or 600mm using extensions, sold separately)
- › Lightweight yet durable aluminium structure
- › Supplied with adjustable levelling feet to accommodate uneven floor surfaces
- › Can be bolted to the floor
- › Integrated cable management
- › 10 year warranty

ADMS-1-50-180-F is part of the Atdec modular digital signage family.
