

Tilt Wall Mount 8060

FEATURES

- Provides for optimum viewing with upwards and downwards tilt angle adjustment
- Designed for precise display positioning with provision to laterally shift display horizontally on wall plate during installation
- Allows for post-installation display levelling with independent vertical adjustment of each display bracket
- Theft resistant design with lockable security bar (padlock not included)
- Designed for easy installation with slotted mounting holes for alignment
- Suitable for installation on most types of wall construction when paired with appropriate hardware (wall mounting hardware not included)
- Supplied with display mounting hardware and installation guide

Display weight	0 - 80kg (0 - 176lb)*
Tilt adjustment	+5° / -10°
Vertical adjustment	4mm (0.15")
Profile to wall	50mm (1.97")
VESA mounting	Universal; 100x100 - 600x400
Primary material	Steel

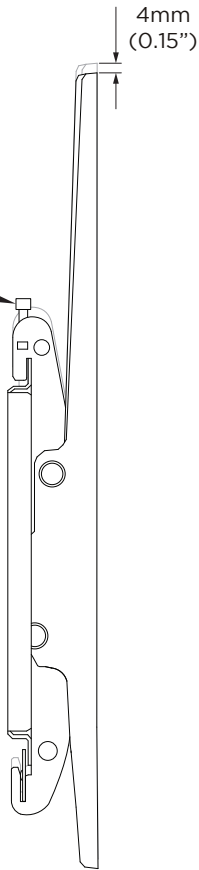

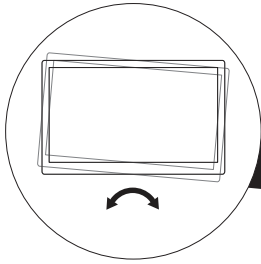

*Curved monitors, deep devices (such as all-in-one PCs), VESA mounted accessories (such as mini PC brackets and mounts), and offset VESA locations exert additional leverage that can exceed the capacity of the mount even though the monitor weight may be within the stated range. Please contact Atdec if you would like further information.
