

# AWMS-2-D40

DUAL DYNAMIC MONITOR ARMS ON POST

**For independent dynamic adjustment of dual monitors to ~27", with medium post for flexibility.** Tool-free independent adjustment of each monitor, ideal for sit-to-stand desks and agile spaces. The medium post provides greater flexibility in height positioning & additional arms.

**Interactive** desk mount solution

100% recyclable, lightweight, & durable construction

Available in silver, black, or white

## Arm rotation stoppers

Built-in 180° rotation stopper on each arm to prevent interference with walls or desk partitions

**10 Year Warranty**

## Monitor orientation

### Amplify productivity with monitor setups that adapt

Portrait orientation displays for emails and messaging applications such as Slack, Microsoft Teams, and WhatsApp are very popular, with users better able to track long comment threads. Atdec mounts including AWMS-2-D40 allow users to rotate monitors 90° with the touch of a finger to achieve the display orientation they prefer to work with.

## Ordering guide

### AWMS-2-D40 consists of:

2 x AWM-AD dynamic arms

1 x AWM-P40G post

### Desk fixing options:

AWM-FF F-clamp

AWM-FH heavy-duty F-clamp

AWM-FC C-clamp

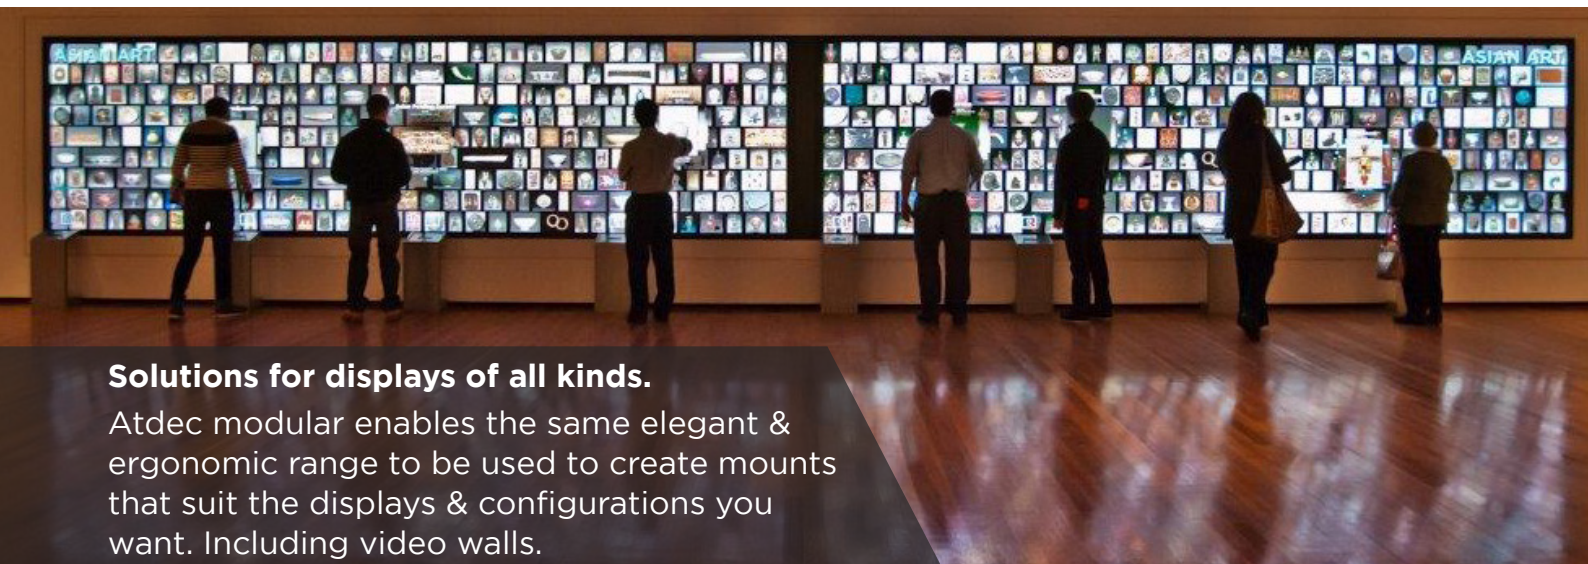

AC-GC grommet

AWM-FB bolt-through

### Accessory:

AWM-HN laptop tray

*AWM components are typically available in black, white, and silver. Nominate your selection with the addition of -B (black), -W (white), or -S (silver) at the end of the main code.*
