

## Tablet stand | Universal tablet stand for tablets from 7" to 10"

The VTB-US is a versatile tablet stand for 7"-10" tablet computers. It dramatically enhances usability of the device whilst also providing additional protection from bumps and scratches. It enables the tablet to be comfortably seated on a desk, rested on your lap or even be attached to the headrest of a car (via the included car headrest attachment). It also provides additional support for tablets when used in a handheld setting – and offers further comfort and ergonomic support. The handle rotates 360° and allows for portrait or landscape tablet orientation and a large variety of viewing angle adjustments.

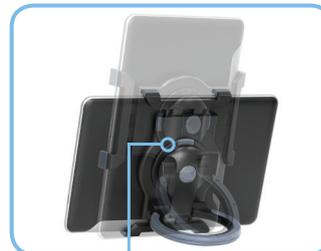

### Key features:

- Supports all tablets from 7" to 10"
- Quick, easy and secure 'snap in' design
- Can be handheld for improved ergonomics
- Lightweight and portable

Hard outer casing with soft rubber inner

Landscape to portrait rotation

Comes with car headrest attachment

Easy viewing angle and height adjustment

Easy to hold

Versatile hanging bracket
