Point of Sale & Payment modular mounting solutions

Modular, interchangeable & upgradeable

Integrated POS and payment technology mounting solutions amplify checkout efficiency, incorporate eftpos and touch screens, are easy to install and cost-effective to upgrade.

Configurable and upgradeable

- Customisable to workflow requirements
- Adaptable to proprietary devices
- Fully interchangeable and upgradeable

Space saving and ergonomic

- Minimal surface footprint
- Sleek streamlined design
- Tilt options for customer convenience

Stable and security enhanced

- Robust construction
- PCI security compliant
- Compatible with popular terminals including Ingenico and Verifone

Popular solutions

Start with a popular basic structure then choose from a range of accessories to complete your desired configuration.
